BRENNAN VINEYARDS “W” (*Wine Maker’s Choice*)

Our Story

“Sophisticated Wine with Texas Roots” is Brennan Vineyards’ longstanding commitment to making world-class wines from Texas grapes. Our vineyards in Comanche County, Texas, were planted in 2002 and were followed by the establishment of our state-of-the-art winery in 2005. Brennan Vineyards is proud to produce superior wines at the hands of our winemaker, Todd Webster. Webster produces premier wines by blending old world traditions with high tech innovations in his winemaking techniques. Our thirty acres of vineyard is currently home to ten varieties of grapes that make up a portfolio of thirteen different wines.

Story Behind the Wine

The Winemaker’s Choice presents a new era in winemaking for Brennan Vineyards. Over a bottle of wine with colleagues, the subject of tumultuous spring weather that Texas has endured these past few years and the resulting crop losses were heavily discussed. Like many other producers before him in the old world, Todd embarked on a mission to make our first non-vintage wine. The Winemaker’s Choice would be a wine that would span multiple vintages, and tap into the best of the best barrels. This particular blend found its components in Cabernet Sauvignon, Ruby Cabernet, Petite Sirah, and Cinsault.

Tasting Notes

Appearance: Day-bright, high intensity, dark purple wine with slight rim variation.

Nose: Youthful, medium plus intensity wine displaying fruit flavors of dried cherries, figs, and blackberry bramble, and prunes. Non-fruit flavors present in the wine are vanilla bean, cinnamon, and molasses.

Palate: Dry, full-bodied, rich blend with present black fruits of plum and cherry jam. Prominent non-fruit flavors are vanilla and caramel. “W” is the perfect wine to bring out on holidays with roasted turkeys and beef tenderloins, and pairs perfectly for an evening on the patio with a cigar.
